Content

Trading members are requested to refer to notice number 20140813-19 dated August 13, 2014 regarding Revision in transaction charges of Equity Segment, notice number 20150105-34 dated January 05, 2015 regarding Revision in transaction charges for securities traded and settled in Physical mode in Equity Segment – Update and notice number 20151015-7 dated October 15, 2015 regarding Classification of securities of companies under “XC”, “XD” and “XT” sub-segments.

Trading members may note that Exchange shall revise the transaction charges in Equity segment with effect from January 01, 2016 as follows –

1. Revision in transaction charges for the “XC”, “XD”, “XT” and “Z” groups is as follows –

Order Type	Revised transaction charges
Active Order (Incoming orders that are matched against the passive orders at the time of matching)	Rs.10, 000 per Crore of Gross Turnover.
Passive Order (orders already existing in the order book at the time of matching)	Rs.10, 000 per Crore of Gross Turnover.

2. Revision in transaction charges in “ZP” group –

The transaction charges on securities traded and settled in physical mode in Equity Segment shall be continued to be levied at the rate of Rs.1,00,000 per crore of Gross Turnover. This levy is applicable on T day and the same reflects in the transaction charges report made available to members at end-of-day.

For cases wherein the settlement pay-in has been made in demat mode on T+2 day in such securities, the Exchange shall provide transaction charge offset at the time of processing of monthly transaction charge debits.

The details of this offset procedure are as below –

- The Exchange shall identify the extent of demat delivery made by the seller in each settlement pay-in during the calendar month period.
- The Exchange shall calculate value of such demat delivery. This shall be done using the average rate of trades done by that member in that scrip on T day.
- An appropriate adjustment in transaction charges corresponding to above demat delivery value shall be carried out in Exchange systems so that the effective debit for such cases shall be in line with the revised rate of transaction charges i.e. **Rs. 10,000** per crore of Gross Turnover.
- The settlement wise details of aforesaid adjustments shall be shown in the monthly ‘General Charges Bill’ in annexure along with other details as provided currently.
- All such adjustments shall be merged with the total transaction charges due for the calendar month and the net amount of transaction charges shall be charged to member.
- In case the net amount results into a credit the same shall be credited along with Service Tax as applicable.

The transaction charges mentioned above shall include current contributions of Rs. 1 each on Rs. 1 Crore of gross turnover to the Trade Guarantee Fund and Investor Protection Fund.

The aforesaid revision in transaction charges are applicable to scrips in the groups specified above only, and there shall be no change in the transaction charges on scrips from other groups.
